

COVID Interview

Interview 5 people asking how Covid may impact the method in which they vote

Sample questions:

- 1) What are your concerns about voting amidst the COVID pandemic this year?
- 2) Will you NOT vote this year due to the pandemic?
- 3) Are you changing the way you plan to vote this year?
- 4) Will you be voting by mail for the first time?
- 5) Do you plan to vote early to avoid crowds?
- 6) Will you feel safe when you go to the polls?
- 7) Has the state or national handling of the pandemic been satisfactory to you? If yes, what have they done right? If not, what are your issues?

Result:

Summarize your responses and document the following:

- 1) How many will NOT vote due to the pandemic?
- 2) What are the top differences in changes in voting method (mail-in, early, other?)
- 3) How safe do people feel?
- 4) What do people think about the state/national handling of the pandemic?
- 5) Other findings?
